The health and safety of our clients and employees are top priority regarding the concerns about the spread of COVID-19. To support the efforts underway by the CDC to slow the spread of the virus our office will no longer take in office appointments for taxes, financial statements or other meetings at this time. If you want to drop off you tax information please feel free to mail in or use the drop box attached to our office.

The 2019 income tax filing and payment deadlines for all taxpayers who file and pay their Federal income taxes on April 15, 2020, are automatically extended until July 15, 2020. This relief applies to all individual returns, trusts, and corporations. This relief is automatic, taxpayers do not need to file any additional forms or call the IRS to qualify.

This relief also includes estimated tax payments for tax year 2020 that are due on April 15, 2020.

Penalties and interest will begin to accrue on any remaining unpaid balances as of July 16, 2020. You will automatically avoid interest and penalties on the taxes paid by July 15.

Our office will be in compliance with the Federal and State instructing and mandating. We are dedicated to serving your business and personal needs. We continue to pray for everyone affected by the COVID-19 virus.

If you need to get in contact with our office or any one from our staff please feel free to call, text or email before you come in or drop off information.

Please stay safe and healthy.
